HOW THE OUTLOOK FOR 2020 HAS CHANGED?

WHICH ARE THE MOST SIGNIFICANT REFORMS?

FAST TRACK

Global smartphone sales to grow from 1.5 billion units in 2015 to a record 1.7 billion by 2017

118 million smartphones will be sold in India this year

About **164** million smartphones will be sold in the US in 2015, climbing marginally to 169 million in 2017

INDIA

TO BECOME WORLD'S SECOND LARGEST SMARTPHONE MARKET

China, India and the US are the three big countries driving smartphone growth worldwide

Nearly 458 million smartphones will be sold in China in 2015, rising steadily to 505 million in 2017

India's growth is driven by low smartphone penetration and wealthier middle-class consumers

India will overtake the US to become world's second largest smartphone market by 2017

IT'S CHEAP IN INDIA

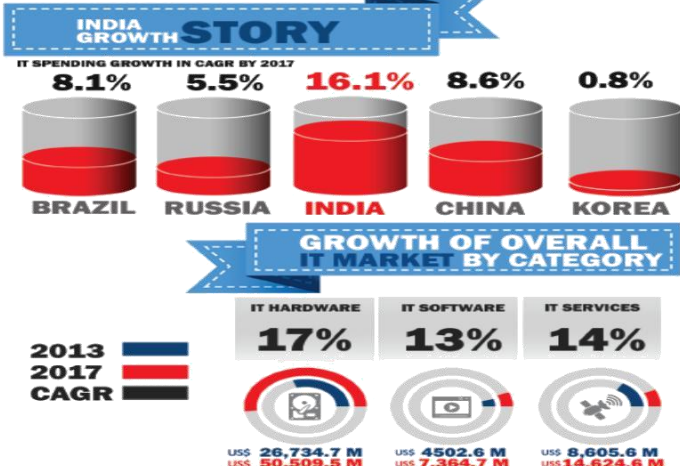

India is the cheapest major economy in the world, reveals 'Mapping the World's Prices 2015', a survey conducted by Deutsche Bank across 57 countries.

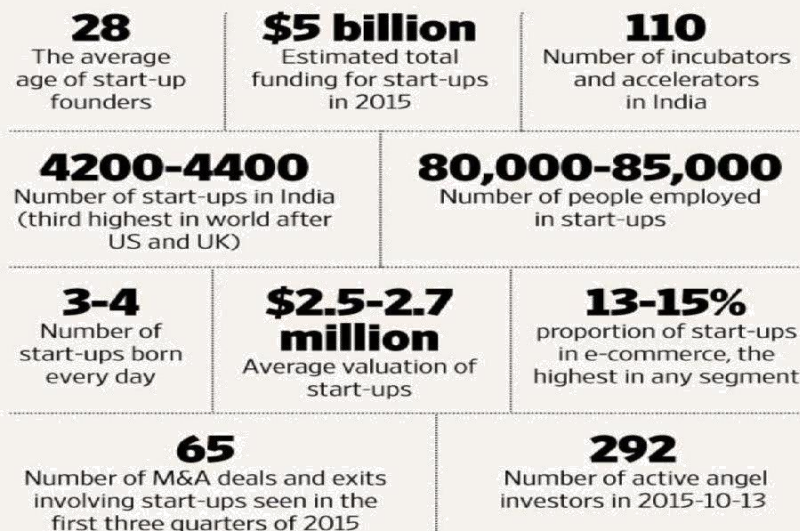

INDIA

the fastest growing BRIC(K) market

India's domestic IT market is forecast to expand at a compounded annual growth rate of **16.1%** in the next four years to reach **US\$72.5 billion** in 2017. This growth is being driven by several factors including Indian consumers' appetite for technology products and services, enterprise IT spending growth as well as governmental initiatives towards e-governance, Smart Cities and education sector digitization programmes.

- Ranked 18th among the top 50 Management Institutes in India by National Institute Ranking Framework (NIRF) report released by the honorable Government of India in April 2016.
- Aims at a global perspective for all programmes in a fast-changing global economic environment

ACADEMIC INFORMATION

- **Program Offered:** Post Graduate Program in Management (PGP)
- **Term Options:** Term IV (June 2018 - September 2018)
Term V (September 2018 – December 2018)
Term VI (January 2019 – March 2019)

PROPOSED NEW CAMPUS

The Government of Chhattisgarh has allotted 200 acres of land for a proposed new IIM Raipur campus at Naya Raipur. The proposed campus will be a state-of-the-art campus, presenting a blissful mix of modern architecture, culture and rich heritage of Chhattisgarh. Given below is an artist's rendition of what the new campus might look like.

RAIPUR, CHHATTISGARH

Home to the institute, is the state of Chhattisgarh located in Central India and is endowed with rich mineral, forest, natural and local resources. Raipur has quite a few tourist attractions, ranging from lakes to temples, to steel and coal factories. Raipur is an absolute delight for people who love shopping, celebrates many festivals with much pomp and gaiety and to be a part of these festivals means to get an insight into the culture of this city.

CAMPUS LIFE

Life at IIM Raipur features a great balance of academic enrichment, campus social life, and recreational opportunities. IIM Raipur presents a mix of lectures, case studies (both Harvard, International and Indian cases), business games, simulation exercises, role plays, group discussions, field visits, industry based projects and a lot of self-realized conceptual reflection.

Exchange students can join any of the several clubs functional here as per their interests, or utilize their leisure time in the gym or the sports area.

ACCOMMODATION

Accommodation is provided to all international exchange students in student's hostel on dual sharing basis. All rooms are furnished with top of the line furniture. The student hostels are fully equipped with seamless Wi-Fi internet connectivity.

HOW TO APPLY

If you are interested in pursuing student exchange programme at IIM Raipur, please contact your university's Study Abroad/ International Relations Office for more information, application instructions, and deadlines.

SUPPORT

Helping you along the way would be a buddy assigned to you by IIM Raipur to help, guide and be a friend in your stay here. They will answer your questions and treat you to the hospitality India is known for.
